Re: USA v. Mustafa Goklu  
19-CR-386

Your Honor:

I represent Mustafa Goklu in the above-referenced matter. I had previously advised the Court, in my letter dated November 16, 2021, that I would not be available to try Mr. Goklu's case in January, 2022 because I was scheduled to begin a trial before Judge Seybert in Central Islip in mid-February, 2022. I am writing now to advise the Court that my trial before Judge Seybert has been resolved. I do not have any other federal trial matters scheduled until August, 2022.

I am available to discuss rescheduling Mr. Goklu's trial, by phone, videoconference, or in person, as convenient to the Court.

Very truly yours,

/s/  
Murray Singer
